PROX Piston

PROX piston kits are precision machined on the latest, state of the art CNC equipment. The same low-expansion, low-friction piston alloy is used to fit all major Japanese engine manufacturers. First class solution to replace the original piston in your Motorcycle, Scooter, Moped, ATV, Personal Watercraft, etc. Piston Kits for sleeved cylinders are available in standard size and a wide range of oversizes. All PROX Piston Kits are supplied complete with Piston Rings, Wrist Pin and Circlips, ready to install!
